Haley Emerson (PO)

Lisa Durand

Miriam del Cerro

Eric Su (SM)

Zhihao Hong (SM)

## Goal:

To add visual features that make our website easy to navigate and to continue adding more college classrooms if there is extra time.

## User Stories:

User Story 1: (13 story points) As a developer, I want to style my website so that it is more visually appealing and easy to understand.

Task 1: Align pictures properly (2 hours)

Task 2: Implement more CSS features(4 hours)

Total for User Story 1: 6 hours

User Story 2: (10 story points) As a developer, I want to take pictures of Cowell routes and upload images accompanied by descriptions so that students can find their classrooms.

Task 1: Plan routes and take pictures (2 hours)

Task 2: Add arrows to images (1 hour)

Task 3: Upload images to website (2 hours)

Task 4: Add descriptions for each picture (2 hours)

Total for User Story 2: 7 hours

User Story 3: (4 story points) As a user, I want to view a map of the highlighted route for each classroom I click on in Oakes, Cowell, and Kresge so that I can visually see the route.

Task 1: Edit images with red lines to indicate routes(1 hour)

Task 2: Upload images in a fixed position(2 hours)

Total for User Story 3: 3 hours

Total for Sprint 3: 16 hours
