

Sprint 2 – May 9<sup>th</sup>

SlugTrail Sprint 2

Scrum Board – May 9th

The screenshot shows a Trello Scrum Board for 'Sprint 2' with columns for 'User Stories', 'To Do', 'In Progress', 'Done', and 'Misc.'. The board is managed by Lisa Durand and includes team members ES, HE, LD, MC, and ZH. The 'To Do' column has one card: 'create descriptions to accompany each image (5 hours)'. The 'In Progress' column has two cards: 'upload and organize images on classroom page according to specified classroom range. (5 hours)' and 'link to either a new page or update current page with new set of images (4 hours)'. The 'Done' column has three cards: 'take pictures of routes (1 hour)', 'map shortest paths to each classroom in Oakes (4 hours)', and 'make a menu selection/search bar for classroom ranges (2 hours)'. The 'Misc.' column is empty. A 'Menu' sidebar on the right shows a list of recent activity, including cards moved between columns by Lisa Durand and Haley Emerson.

**User Stories**

- As a developer, I want to create a classroom page for each college/department so that students can specify where they are going.
- as a developer, I want to plan routes for Oakes college and take pictures of the campus so that students can have a visual for the directions.
- As a developer, I want to create directions and upload pictures so that students can find their classrooms.

**To Do**

- create descriptions to accompany each image (5 hours)

**In Progress**

- upload and organize images on classroom page according to specified classroom range. (5 hours)
- link to either a new page or update current page with new set of images (4 hours)

**Done**

- take pictures of routes (1 hour)
- map shortest paths to each classroom in Oakes (4 hours)
- make a menu selection/search bar for classroom ranges (2 hours)
- mark images with arrows and highlight routes on UCSC's existing maps (3 hours)
