Problem: Website does not properly display images in Firefox
　　　Input/Action that causes failure: using Firefox as browser
　　　Location of Fault: unknown
　　　Possible Action: try putting images for Home Page in database

Problem: Alphabetical menu does not always work in Edge
　　　Input/Action that causes failure: using Edge as browser
　　　Location of Fault: unknown
　　　Possible Action: unknown

Problem: The Home Page does not display images and the alphabetical menu does not always work in Internet Explorer
　　　Input/Action that causes failure: using Internet Explorer as browser
　　　Location of Fault: unknown
　　　Possible Action: try putting images in database

Problem: We do not have all colleges and departments completed
　　　Input/Action that causes failure: clicking on colleges/departments other than Oakes, Cowell, Kresge
　　　Location of Fault: Index.html
　　　Possible Action: Write other database files and college files, take pictures

Problem: Useless "top" button on the first page of each College/Department
　　　Input/Action that causes failure: clicking on a College takes user to a page that has a "top" button with no purpose until a classroom is selected
　　　Location of Fault: html files for each college
　　　Possible Action: adjust code so that "top" button only appears once a classroom is clicked

Problem: Map images are not all the same size, some are difficult to view
　　　Input/Action that causes failure: Choosing a classroom
　　　Location of Fault: html files for each college
　　　Possible Action: Re-upload images as the same size

Problem: Width of tables for descriptions and images is not consistent, runs into map
    Input/Action that causes failure: clicking on classrooms
    Location of Fault: all college files
    Possible Action: Set table to have a max width

Problem: Images have too high of quality so they take a long time to load
    Input/Action that causes failure: Choosing a classroom
    Location of Fault: all college files where images are placed
    Possible Action: Retake pictures with lower-quality camera
