SlugTrail Sprint 3 Burnup Chart and Scrumboard as of May 26

SlugTrail Sprint 3

Burnup chart showing Total Hours (constant at 16) and Hours Worked (rising from 3 on 05/19/17 to 9 by 05/25/17, then flat through 05/31/17).

Sprint 3 SlugTrail ☆ & Team Visible

User Stories

User Story 1: (13 story points) As a developer, I want to style my website so that it is more visually appealing and easy to understand.

User Story 2: (10 story points) As a developer, I want to take pictures of Cowell routes and upload images accompanied by descriptions so that students can find their classrooms.

User Story 3: (4 story points) As a user, I want to view a map of the highlighted route for each classroom I click on in Oakes, Cowell, and Kresge so that I can visually see the route.
