Sprint 1 Report
SlugTrail
Team SlugTrail
April 27, 2017

Actions to Stop Doing:
The team should stop booking room 331 in McHenry because of wifi issues.

Actions to Start Doing:
The team should touch base over Facebook more often so that we can stay on track and keep everyone updated.

Actions to Keep Doing:
The team should keep meeting every Tuesday and Thursday from 5-7 pm since we get a lot of work done together. The team members who are available should also keep meeting up on weekends to get pictures for the website when no students are around.

Work Completed:
User Story 1: (3 story points) As a developer, I want to download the proper software so that I can continue making my web app.
User Story 2: (8 story points) As a developer, I want to create a college/department page that students have options of areas on campus to find.
User Story 3: (5 story points) As a developer, I want to plan routes for Kresge and take pictures of the campus so that students can have a visual for the directions.

Work Not Completed:
We completed all user stories for this sprint.

Work Completion Rate:
We completed all three user stories, and completed .21 user stories per day.
The total number of estimated ideal work hours completed was 23 hours.
There were 14 days in Sprint 1, so the ideal work hours per day was about 1.6.
